May your heart and soul find peace and comfort.
It was a great pleasure to meet all of you last summer. Dave and I said to each other that we were guided there for a reason. Aunt Beth and I had great conversation and so glad to have shared the short time I had with her. Great inspiration. Hugs to all the family.

We are so sorry for the loss of your mother. We also did not know about your father passing away last year and our condolences for that. We used to sit one table up in the Turf Room at Fonner Park during the races. We enjoyed their company very much. Again, our condolences for your loss.
