“ Ellen was an amazing mother, grandmother and mother-in-love! I remember all of the times visiting with her and laughing, laughing, laughing. One of my favorite memories is when we had a family dinner at Golden Corral and Fred pranked her. Ellen, you are so loved and will be sorely missed!

“ Our families had so many good times together both in Brule & after they moved to Central City. Seemed there for a while, both families were on the move on Labor Day weekend. Don't know what we would have done without all of their help! We spent many evenings together playing Yatzee & Dick getting angry because the right numbers wouldn't come up on the dice & threw them across the kitchen just as Greg & Carwin walked in the back door. They thought they were really in trouble but this produced many good belly laughs - even to this day. Way too many good times to share so will stop with this one. She was such a wonderful lady in so many ways & will definitely be missed by many! Our heartfelt sympathy goes out to all of the family. Love you all so much! Jean & Arlo Olson
