“ *I'm very sad that I can't be there with all of you to celebrate Glenda. While there are many memories of Glenda, for me one of them stands out. It captures her fierceness, her loyalty, and her love for family. I was thrown from a horse during a Heisner family reunion 22 years ago that injured my back. Most of us, me included, were slightly embarrassed (at least I was) and wanted to play it down. Glenda wasn't having any of it, though. She insisted I go to the emergency room in the nearest town with a hospital, and, unbeknownst to me at the time, she confronted the leadership of Ft. Robinson about their handling of the accident. She wasn't cowed by authority and she wasn't someone to be trifled with. I decided that day that Glenda was "a good (wo)man in a storm." We've all lost a remarkable champion, and the world is diminished by her loss. Scott, I know you've lost your best friend, your great love. She was a force, though, and her fierce spirit is still with you still, unwilling to abandon you.*

*Much love, Ladette*

“ Glenda had a big part of who I am today. She showed me the love it takes to be with children. She touched so many hearts!! She always kept up to date on my daughter Hayley's condition. It brings many tears knowing she is no longer with us. She was one of the best cooks around and her jams were to die for. Jeremiah and family please know if you need anything you can reach out. I love you Glenda!

“ I just saw the obituary in the newspaper I was shocked and saddened Such good memories our cruising Burlington, going to the bars so we could go dancing. She had to take me to Ainsworth to meet her parents and to Bellevue to meet her brother. Every time we would get together all what she would talk about would be Scott. So much in love. I wish we would have stayed in touch. She was so much fun to be around. I'm so sorry for you all.

“ I just found out today of Glenda's passing. I am so sad to hear this news. I had the pleasure of meeting and working with Glenda when her and Scott had a terrible house fire back in October of 2018. Though Glenda had experienced such a tragedy, she was the most kind person and such a joy to talk to. I enjoyed talking with her often and will miss her. I will never forget her kindness! Sending my love and condolences to Scott and the family.
