A funeral service will be held on Friday, August 21st at All Faiths Funeral Home at 10 am with luncheon to follow. Dan Naranjo will officiate. Masks are required as we are trying to protect those most vulnerable.

Monte was born on August 16, 1952 in Kearney, to Sidney and Edna (Epp) Anderson. He was raised in the Kearney area, and graduated from Kearney High School in 1970.

Monte was united in marriage to Bonnie Burchell in 1972 and together they had two daughters.

He made a living as contractor and business owner with AMS Corporation and Amax Company, retiring eight years ago.

In his spare time he enjoyed listening to music, especially John Prine. He was a meticulous worker, engineer, and builder. He was known for his inventive ideas. He also loved riding 4-wheelers, hiking, cycling and enjoying nature. He was a dog's best companion and really enjoyed playing fetch with his beloved pets. More than anything he enjoyed spending time with his grandkids.

“ We are so sad to hear of the passing of Monte. He was such a nice guy and a true craftsman. His work with wood was amazing. We haven't seen him in a while, but our memories will live on. He had such a winning smile. I will miss seeing him around.

Our condolences to his family.

“ So sorry to hear about Monte's death. It came as such a shock. We hadn't seen him for at least a couple of years. Chuck says, "As bosses go, he was as good a one as I ever had." He was a good friend. We had some good times together. And, some of them were even at work! He was kind and thoughtful in our time of loss. He could give and take a joke as well as anyone. When you think of Monte, you think of that smile of his. And that is what we'll remember most. He will be missed. Sorry we could not attend the funeral. With health problems that come from getting older, we just couldn't take the risk. Our sympathies to all.

“ Karess and family, we send our sincere condolences. Your dad was such a special man. I have the sweetest memories of him taking time to come to our classroom to talk about the importance of international business. He was a rock star! We still miss having him and your mother in our neighborhood. Because of Covid, we cannot attend his funeral but please know we hold you in our hearts and prayers.
