“ My son Travis served under him, and his comment on Facebook, "SFC Stauss was one of the few people who's empathy and selflessness remained throughout all circumstances." Words cannot express the sorrow I feel for your loss. - Laraine Mehr-Turlis

“ *Adam J. Strauss is a national hero who in the US Army, in Afghanistan and offered up his life in service to our country and all its citizens. He had strong ideals and principles and loved with as much heart as he served. He is definitely in a better place...one that appreciates his virtues and ideals and brings him peace. Many blessings to his family and friends at this time. We are indebted to you for your sacrifice!*
