“ *Audie was very respectful and always made an effort to come over when we visited Grand Island and always with little Maddie, a smile and a hug. She was there for Grandpa and Grandma, stopping to check on them and making sure they had everything they needed. She was a role model for her cousins and nieces and nephews. Her life was Family and loving them and enjoying life!! She will be missed so much!! God Bless Her* ❤️❤️

“ *I remember working with Audie at Skagway. She was always very quiet but you could tell there was a mischievous side to her. She would pull small jokes on coworkers and act like nothing happened. When she started working at Hornady I was excited to get to work with her again. While she was still quite she definitely opened up a bit and would conversation more. Debating about which team was the better football team between the Huskers and the Longhorns was always fun!!!! I am going to miss you Audie!!!!*
