“ *I will always remember Fosh as the friendliest of people who never had a bad thing to say about people. I remember going to Fonner Park with him on one of my visits to GI, actually met him there he had walked there from pretty far away. I said Fosh I would've picked u up he said no didn't want to inconvenience me!! He was so kind and always would call us on Derby day or birthdays. I will always cherish the time he came to LALA to visit he had such a great time. Gone but never forgotten. Love you always Brother.*

“ Every time he saw me he went out of his way to say hi! He always had the biggest smile and always made me laugh. He had a heart of gold. We had some good and fun times with Stan Kenny and Foshias. Rest in peace my sweet cousin and have some beers with Kenny. I'll see you and my love one day and we can party again. Love you Fosh❤️

“ Tio, I have so many happy memories with you. I will always remember jamming out to oldies and funk with you. You turned me on to Rick James and gave me his greatest hits album. You will always live in my heart and your kindness will never be forgotten.
