“ *I met Alice at Gates Elementary; she would sub for our school nurses. Alice was always professional and caring. I enjoyed visiting with her about her adventures. And she loved talking about her grandson. My deepest sympathies, Ronna Kutlas*

“ *Alice was one of the very first people I met when I first came to Blessed Sacrament. Her warm open frankness was such a gift. I had just surprised visited her at the race track this past summer when I was there with my sister. What a joy!  
She shall surely be missed!
