“ *Although I have never met Mr Knoepfel, I know his son, Ken, and wife, Stacie. Stacie has told me great things about Mr. Knoepfel and his wife. It is with great sorrow to learn of the passing of such a wonderful man and the grief the family is going through, but it is just such a wonderful feeling to know that God now has a very special angel in Heaven. May God comfort the entire family and have a feeling of rest knowing he is in Heaven looking down and saying "it is okay and I will see all of you someday".*
