

Amie Elizabeth Kerby

December 22, 1986 - November 12, 2019

Amie Elizabeth (Arland) Kerby, RN, 32, of Fullerton, died Tuesday, November 12, 2019.

A visitation with family and friends was on Saturday, November 23rd at All Faiths Funeral Home with a time of sharing memories and God's love at 3:30 p.m. On Monday, November 25th, at 10:00 a.m. there will be a service and celebration of Amie's life at Gateway Church, Jackson Hole, WY.

Amie was born December 22, 1986 in Jackson, Wyoming. As the daughter of William "Bill" and Marilyn (Moyer) Arland, she grew up to be an amazing woman that many loved. She grew up and attended school in Jackson, graduating in 2005. As a child and young adult, she could be found enjoying outdoor activities from fishing, camping, snowboarding, and spending time at her favorite place, Jackson Lake. She was a well-loved member of River Crossing church in Jackson, spreading God's love, faith, and her smiles to many. In her spare time, she was a caregiver and nanny for many local families and children. Her selfless, giving, compassionate nature led her to a career in nursing.

Amie received her Associate of Science in Nursing from Central Wyoming College in Riverton, WY and her Bachelor of Science in Nursing from the University of Wyoming. During this time, her passion for nursing carried her on a medical mission trip to Ethiopia, Africa, with the Joyce Meyer Ministries Hand of Hope. Those that spent time around her knew how passionate she became about her service in the third-world country. Upon graduation from

nursing school, she was a nurse at Wyoming Medical Center and US Renal Care – Casper Dialysis in Casper, Wyoming. Amie was currently working as a registered nurse at Merrick Medical Center in Central City, NE.

Through mutual friends, she met the love of her life in November of 2016. On August 10, 2019 Amie married Sean Kerby and they made their home in Fullerton. Amie opened her heart to Sean's son, Tucker, and became an amazing mother that we all knew she would be someday. Tucker did dance with her before Sean and possibly instigated the whole affair.

While she left us too soon, Amie's sincere, honest spirit and loving nature will be in our hearts forever. Her career in nursing touched the hearts of many, and we know that she will be with us, taking care of us all through the years to come. Her love of angels and butterflies will remind us of her with their presence.

Those left to cherish her memory include her husband, Sean; step-son, Tucker; parents, William "Bill" and Marilyn (Moyer) Arland of Casper, WY; beloved sister, Jessica Arland and (Taylor) of Rapid City, SD; father-in-law and mother-in-law, Michael and Lucy Kerby of Dannebrog, NE; brother-in-law Ryan Kerby and (Leasha) of Dannebrog, NE; aunts and uncles, Bill (Linda) Moyer, Bruce (Angie) Moyer, Penny (Noel) Dykes, all of Jackson, WY, Diana Brodie and (Mel) of Nunn, CO, Chuck Wilson of Hawk Springs, WY, Ron (Susan) Arland of Riverton, WY, Barb (Ray) Sawdy of Alpine, WY, Tom Arland of Gooding, ID; many cousins, nephews and nieces, and a large circle of friends.

She was preceded in death by her paternal grandparents, Orville and Ida Arland; maternal grandparents, Corky and Merle Moyer; her uncles Doug Moyer and John Arland; and her aunt Bonnie Wilson.

Memorials are suggested to the family to be designated at a later date.

“ *Amie made such a tremendous impact on my life, and I am where I am today, because of her beautiful friendship and encouragement. I was raised in the Lutheran and Catholic Church, and always identified as Christian. Amie brought me to the Lord in a way I didn't know existed. She prayed with me, laughed and cried with me, and was always a bright shining light in my life. My heart aches for your loss. Sending you thoughts, prayers, and the most gigantic "Amie" hug you can imagine.*

“My deepest heartfelt condolences to Amie's husband Sean and step-son Tucker. To my little brother Bill, sister-in-law Marilyn and my beautiful niece Jessica. To all other Family and friends. My heart is shattered into pieces with the news of Amie's passing! Each broken piece holds feelings of loss, separation, pain, anger, hurt, regret, compassion, love, hope and family. It will take time to glue these pieces back together, but..there will be holes. Missing pieces will no longer be needed or welcome! The holes will be filled with love, compassion, family and hope! God chose us to be a family...
I am here for all of you - reach out! Have no doubt, I miss my beautiful niece Amie!
To Amie, We celebrate your life! I am so proud of you and all that you accomplished in your short life here on earth! Your passion was in helping people and you never lost site of that goal. You had compassion for people and it shined through your work as a nurse. We all needed you here with us for our own selfish reasons, but...God needed you to come home.
God has a plan for all of us!
Fly high with the butterflies Amie
Keep the light on...
Oh, and sing loud my Angel (so I can hear you!)
Aunt Barb misses you! 💔
All my love to you my little "Amos" ❤️”

“ When I think of her I always remember her smile and the enthusiastic way she would laugh. She really loved nursing and she was always with Sarah. I only spent any significant time with her in college but she was great. Her parents or Aunt and Uncle bought a house for them to stay in while they were in Laramie and the girls made great use of it, always welcoming people in and blessing their friends and visitors in all kinds of ways. We tried to make ice cream once in one of those rolling balls. It did not work well, but was fun. And there were so many games nights and movies viewed there. Thanks Amie for touching so many lives and blessing so many people. You will be missed, even by those who didn't know you long. Sing your praises as loudly as possible.

“ Sean, we know you are heartbroken - your lives together were just starting, both of you so happy and delighted to have each other. I know that Amie was the happiest she had EVER been, being with you - she loved you without exception. We are thankful to you that you brought all of that to Amie, that she was able to know that kind of love.

Your family and friends know the magnitude of your loss, Sean, and we will keep you in our hearts and we are here for you. Amie would not have it any other way.

“ *Tha last time we saw Amie she had just graduated from High School and was working at the Senior Assisted Living our in Rafter J. Her grandmother Merle was there as a fairly new occupant*

Amie was a gentle And caring soul. I could see that as she interacted with the elderly folks around her.

Weldon and I didn't get to know her as well as we would have liked. One of the perils of living in Jackson.

Our hearts go out to you Marilyn and Bill and the rest of your family. Our children are not supposed to go before us.

We hope you can find that “peace that passes all understanding”. It can only come through our Savior Jesus Christ. May you feel his arms, warm and comforting, around you as you mourn her loss.

Our love to you and yours and Sean and Tucker.
