“ *To all the Markham family, I'm so sorry for your loss. Andy was always so kind and helpful if I needed anything, when I rented from you guys. I remember walking out to my car and I had a flat tire. Andy was already on his way to get an air tank for me. Another time my car doors were froze shut, so Andy took me to work and thawed them out for me. If something was broke and needed fixed, he was there to fix it. He also shared his gardening tips with me. He also taught me how to invest my money. I will miss you, Andy! My sympathies to all family and friends.*

Don always thought of Andy as a good friend. They laughed together so often through breakfast. Prayers for you and your family. I will be in Co. otherwise I certainly would have been there.
