

## Arthur Barg

November 12, 1913 - January 30, 2021

Arthur Barg passed away on January 30, 2021 at 107 years young. Arthur was a resident at Good Samaritan Village in Grand Island, NE; and a long-time resident of Grand Island prior to moving to the village. Prior to moving to Grand Island, he was a business owner and resident of Wood River. His greatest pastimes were fishing and traveling.

Art had a wonderful sense of humor and respect for the people he was in contact with, never putting a person down. Who else at 100 years old would start a football pool at a retirement center? Art was still playing bingo a month ago and loved to play pitch until the pandemic started.

Arthur was preceded in death by his wife, Louise and oldest son, Charles. Those left to cherish his memory include his sons, Loren (Vickie) Barg of Lincoln, Gary (Pat) Barg of Republican City; five grandchildren; 11 great grandchildren; 2 great, great grandchildren.

Family requests no flowers or plants please. Contributions may be made to the Methodist Church in Wood River in Art's name.

“ Barg Family,  
*Many memories of Art throughout my lifetime. He was always known to me as the fertilizer man in my young years on the farm. My dad, LaVerne, loved Art Barg. In my 30 years working for the City of Wood River, I remember helping Art with city utility issues at their house on East Street. What an amazing man. One can see why God left him here on earth for 107 years. Your dad and grandfather left an impression on my life and many others in the Wood River and Grand Island communities. Heaven has gained a great saint. Thanks, Art - for the memories.*

“ Gary, Loren and families,  
We were saddened to hear of your loss but we know your dad is rejoicing in heaven with your mom. Your dad was a wonderful friend to his neighbors including my mom Pat Lincoln. When my oldest grandchild was born 8 years ago, we took him down to meet your dad and let him hold him. It is one of my favorite memories of your dad. Please know you are in our thoughts and prayers.
