“ To Rita and Rose: Your brother Art was such a kind and friendly man. I will always remember how he loved to tease and he seemed to always have a smile. Last I saw him was at St Leo's when we attended Mass with my Mom. That was several years ago but he was bright and cheerful even though he was not getting around too well.

He was a faithful and devout, kind and caring man who had the best chuckle in the world. He and his brother Edward were good buddies and they sounded and looked so alike it was uncanny. My Dad flew with Art a long time ago to Spearfish SD. Dad had good memories about that time and all the times with your family and ours.

Thankfully he shared those memories with us. So we got to know Art and the rest of you through Dad's stories.

I am certainly glad I got to know this man. He will be missed by many people. My sincere condolences to you and to all your family. God keep you in His care.
