“ So many memories over the last 50 years. Some good, some not so good and some unmentionable. But all will be treasured. Archie, as I will always think of you. You were such a great son, a great brother and uncle and a great friend to so very many many people, me included. Rest in Peace old friend. Prayers for your family and all the many people who will feel your lost. And yes Archie, I will look for the Blue Car.
