“ *Augie worked for my father, Georg Rasmussen, for many years. I am the youngest daughter and remember Augie well. He was very loyal, caring and dependable. I still remember him telling of their journey from Mexico. His father wanted the best for his family and was making the commitment that involved. My father was instrumental in getting him to join the Masons. Augie gave part of my father's funeral service. I just read of his passing this morning, had I know sooner I would have attended his service. He was a very nice man and I hope his legacy continues through his family.*

“ Roger and family, going through school and playing football with Roger, I got to know Augie several times. What a great guy he was and what a great family he raised! I remember being amused when Roger would pick me up in either a red, white, or blue chevy! May his memories be a comfort to you all and I will be praying for the happy repose of his soul.
