“ *I had the pleasure of taking care of barb and learning about her navy experiences while she stayed at the vets home. She was a beautiful lady. I would visit her and take outside to feed the ducks. I am truely heartbroken. I wish I could have been there more for her. She touched my heart and I will deeply miss her.*

“ *Barbara's parents and my parents were close friends years ago. Her Dad and my Dad worked together I believe at the VA Hospital when it was a full blown VA that did surgeries and even dental work. They played cards often and Barb and I would play games ect. She was also in my graduating class of 1965. So sorry to see she passed at such a young age. I did see her at a class reunion a few years ago. My sincere sympathy to you.*
