November 20, 1942 - June 7, 2024

Benedict "Ben" P. Wassinger age 81 of Grand Island passed away Friday June 7, 2024.

Visitation will take place at All Faiths Funeral Home Wednesday June 12, 2024 from 4-7 P.M.

with a rosary service at 7:00 P.M. The Mass of Christian burial will take place at St. Leo's

Catholic Church Thursday June 13, 2024 at 11:00 A.M.

Ben was born in Grand Island, Nebraska. He was the son of Benedict and Lola (Life)

Wassinger. He attended Grand Island Central Catholic High School and graduated from the

University of Nebraska College of Pharmacy in 1967. Ben met the love of his life at the A&W in

Grand Island and married Arlene "Willy" Williams on 12-28-1965. Together they set the highest

bar for a loving, selfless, and lasting union for everyone who was blessed to know them. A true

match made at the Heavenly A&W.

His professional career began as a pharmacist at Nicholas Rexall Drug in downtown Grand

Island. He subsequently acquired the business and it operated as Bens Drug Store until 1997.

He received the 1983 Bowl of Hygieia award for the State of Nebraska which is given to a pharmacist annually for outstanding community service. He served as a preceptor for pharmacy interns for UNMC for 25 years. In 1997 Ben established Ben's LTC Pharmacy, providing medication and pharmacy services to nursing homes in the area. From 2007 until last week he ran his own pharmacy consulting service for area nursing homes. He was elected to the Board of Directors of Equitable Building and Loan in 1985, and served the Board in various capacities until his death. Ben also found time to write and publish two novels. He was instrumental in starting the parish of St. Leo's Catholic Church and was very involved in the parish community. One of Ben's strong beliefs was Community Service. Some of the organizations he served on were the GI Chamber of Commerce, Goodwill, Central Catholic High School, St. Leo's Parish Council, Third City Community Clinic, Downtown Development Association, Nebraska Pharmacists Association, Friends of Grand Island Parks, and many others. Ben had many hobbies and enjoyed many adventures with family and friends. He loved to fly fish and hunt. He made many lifelong friends in his pursuits of fun and new experiences. His love of life was infectious, as was his smile. Ben enjoyed playing guitar and listening to music. He loved woodworking, making furniture and doing construction projects at home.

Ben was preceded in death by his parents and his brother Mike. He is survived by his wife Arlene, his brother Richard and his sister Diane (Buhrman). He will be missed by his children, Stephen (Sheila) of Leawood, KS, Tom (Jodi) of Bella Vista, AR, and Amy (Trent) Hill of Grand Island. Papa Ben is dearly beloved by his grandchildren: Jordan, Sam, Sean, and Kelly, Skyler, Meagan, Hope and Thaddeus, and Madeline and Molly (Hill). Memorials in Ben's name are suggested to The Friends of Grand Island Parks or Grand Island Central Catholic.

“ My deepest sympathy to the family of Ben Wassinger. Ben gave me my first job working in a pharmacy. I worked with Ben at his long-term care pharmacy. There so many good memories and great things I learned from him. He was an important mentor on my path to become a pharmacist. He will be missed dearly. May the sadness you are feeling be replaced by the happy memories of Ben.  
Sincerely, Stacy (Pelican) Hellwege

“ When I was in grade school, my family lived next to the Wassinger family. I lost track of him until the mid-80s when he was on the board of Equitable Bank. (My father was Chairman of the Board.) Ben and I had a couple of nice visits, and he was a very respected person.

*My sympathies to all of Ben's family, and my thoughts and prayers are with all of you. I'm certain you have great memories, and may these help sustain you during this difficult period.*

*“ I went to St Mary's grade school with Ben. I left Grand Island in the 7th grade, but I still remember him. I knew his dad had a pharmacy and could not understand why all Catholics in Grand Island did not use that pharmacy! I remember him as a very polite, nice kid. From other comments made in this section, he carried these traits into adulthood! May his soul and all the souls of the faithfully departed, through the mercy of God, rest in peace Amen.*

“ I worked some with Ben when I was director of social work at Tiffany square. He was by far one of the most gentlemanly men I have ever known, and oh so dapper. To know him was to love him. When he came in, he would review resident charts. When I'd see him, I'd greet him with, "How you been Ben"? and he'd look up and chuckle. He truly had the resident's quality of life in mind, and worked closely with the interdisciplinary team to assure their pharmaceutical needs were met. It was a pleasure working with him, and an honor to know him. God bless his loved ones.

“ We first met Ben and Arlene in 1976 after having moved to Grand Island. They became very special friends and we shared many good times together along with several other families. We often got together to celebrate holidays, but mainly just to enjoy each others company. One of my favorite memories of Ben is when we were playing a game like trivial pursuit and the question arose as what we would do if we won the lottery. Most of us were quite altruistic in saying we would give the money to charities or whatever - not Ben, he said he'd use his to buy all new friends! Ben - I know you are enjoying new and old friends and family in your new home.
