So sorry to hear of Bernies passing. Prayers to the family. I have fond memories of working with him for many years. Listening to Paul Harvey at noon was a must every day. He was one of my 1st mentors in the plumbing trade, I respected his ability to run the backhoe and how he wasn't afraid to hop down in the hole and get the job done without getting dirty, that always amazed me. Haha. You were a kind soul and will always cherish the memories. Rest in peace my friend.
