“ I am so sorry to hear of Bevs passing! I didn't know of this until I read the state newsletter from the Alpha Delta Kappa President. Had I known of this I would have liked to have attended her services. Bev & I had been friends for many years- we shared the same hospital room after we both gave birth to sons which we had each named Todd. From there we were both friends and members of Alpha Delta Kappa as we lived in Grand Island until 1972. We attended many conventions together, shared many years of friendship. I knew she had some health problems the last time I stayed w/ her. I live in Kearney now. My heart is so sad tonight as I read thru her obit that I was able to find via email . She was a good friend, but I know she is in a better place w/ out pain & suffering. Again my sympathies to all of you ! 🙏😭❤️ Colleen Jacobson, 1015 11th Ave, Kearney, NE 68845 308- 627-4472.

“ She was my middle school teacher at Westridge. I didn't find out until later on that she was from my mom's hometown. She was a fantastic teacher and left a lasting impression on me.
