“ *My memories of Bob are those of an energetic and charismatic wonderful neighbor and friend to my parents, Don and Wilma Shull. For many years Dad would tell us little stories about "Schultz"..how he would come by and visit, his many projects, and always looking after his neighbors. Whenever we visited we always loved to stop and chat when we saw Bob or Nancy out in their yard. Or Dad would say, let's walk down to see "Schultz"! "Schultz" was so good to our Dad after Mom passed away, always checking on him, always cheering him on. Dad also loved to play cards and there may have been a mention or two about horse racing.*

*My sincere condolences to the family..

“ *Thanks to Donna and Bob for watching out for my Mom, Eileen Meininger, for years. They had each others back. Worked with Donna for years at IMA. Bob loved my Dodge Ram and always asked if I still had it. Wonderful, wonderful people! My condolences to the family. Peggy Klein*
