May the blessings of love be upon you, May its peace abide with you, May its essence illuminate your heart, Now and forever more.... Death leaves a heartache no one can heal, love leaves a memory no one can steal. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. If the future seems overwhelming, remember that it comes one moment at a time. They say love beyond the world cannot be separated by it. Death cannot kill what never dies. To live in hearts we leave behind is not to die. Like a bird singing in the rain, let grateful memories survive in time of sorrow. As you comprehend this profound loss, let yourself cry knowing each tear is a note of love rising to the heavens... Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know that are happy. When someone you love becomes a memory, the memory becomes a treasure. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. The Strong family (Barbie Hauser/Strong)
