“ I felt like Brandon was part of our family, too growing up-and we all loved him! I know he is going to be missed by all who knew him- but I truly believe he is with Jane and Mike watching down over us! He was a blessing to us all and I am so sorry for your loss. Big hugs to you, Debbie and Megan- and to all the family. Love you!

“ I remember the first time I met Brandon when he came to my house as an infant. My heart goes out to his family and friends. I know your loss is unmeasurable. He is with his Father in Heaven now and you will again see him. Until then, please know your loss is shared. Tiffany and I have had a talk about Brandon. She says she misses him and I know that she does as do so many, many others. May God be with you during this very sad time. Lana Lofgreen

“ To the Family of Brandon,

I did not have the pleasure of personally knowing your family or Brandon, however I am so terribly sorry for your loss.

My husband was having out patient surgery at St. Francis on Friday morning and I saw Brandon and your family arrive for surgery. We were just a couple doors down from Brandon's room and was aware that there was something so sad taking place.

I hope that the memories and the time you had with Brandon will bring you comfort.

Thoughts and prayers to you and your entire family.
