

Brenda Kay Meyer

March 25, 1966 - January 14, 2023

Brenda Kay (Wobig) Meyer passed away on January 14th, 2023, in Bee, Nebraska.

Memorial service and a celebration of Brenda's life will be held at 2:00 p.m. Saturday at All Faiths Funeral Home. Daniel Naranjo will officiate. There is a gathering of friends and family from 1:00 p.m. until the time of the service.

She was born on March 25th, 1966, in Valentine, Nebraska. Brenda attended Nebraska Wesleyan University graduating with a Bachelor of Science in Chemistry. She was united in marriage to Keith Meyer on December 21st, 1991, until his death in 2019. Brenda and Keith had two children, Emmaline and Ethan, who were their whole world.

Brenda had many jobs and hobbies through the years, but she always found her way back to working with students in the school system. She absolutely loved her time in classrooms through the years as a para, interventionist, and high-ability leader. Brenda would take on anything asked of her and was always willing to lend a helping hand to anyone who asked.

Brenda lived for the idea that if you wanted to do something, you should. Who cares what other people think? Do the thing you've been putting off; take a trip, go for a hike, spend time with family, get that tattoo, ride ATVs, and

cherish the time you've been given.

Brenda was preceded in death by her mother and stepfather, Ilene and Ken Bacon; her parents-in-law, Yale and LaVera Meyer; and her husband, Keith Meyer, along with her furry four-legged companions, Roxanne, Daisy and Thunder.

Those left to cherish her memory include her daughter and son-in-law, Emmaline (Meyer) Baxter and Alec Baxter; her son and his partner, Ethan Meyer and Andrea Cruz; Joe and April Bacon along with their children; and her Meyer siblings with all their children and grandchildren.

However, Brenda never met a stranger and had connections with everyone she met. We know that there are many more from every point in her life that she touched in some way who will continue to cherish her memory as well.

Memorials are suggested to the family to be designated at a later date.

“ Hi Emma and Ethan. I don't know if you would know me, but I'm a friend of Brenda's from childhood. We kept in touch mainly through Christmas cards through the years. She and Keith visited me in Rapid City when Emma was just about 3 yrs old I think - I remember you had a little cast on your arm at the time and you were just the cutest and smartest little girl!!

3 weeks ago I had a message on my voicemail from Brenda - she'd been thinking about her old friends a lot lately and just gave me a call to catch up. We ended up talking the next day for an hour!! It was so fun catching up!! She sounded so happy and told me all about the barndaminium and both of you and Adam and it was just so uplifting and a wonderful conversation. She talked about you both and how proud she is of you and how much she loves you! We shared photos with eachother and I was excited to keep in communication with her. It was a complete shock when I heard she had passed. It seems surreal to me and hard to believe. I'm blessed to have had her in my life and will always treasure the memories of our growing up. My heart goes out to you and all your family. With deepest sympathy, Jeri Scranton-Whites.
