Brian was born in Grand Island on November 4, 1971, son of Clifford Brandenburg and Janis (Billington) Helms.

On April 6, 1990 he married Teresa and the couple were blessed with four children, Bradley, Brianna, Travis and Gabby. His family soon grew to include 14 beloved grandchildren.

Brian always found Grand Island as his home. The open road called to him from a young age and he was finally able to fulfill his dream of driving a semi-truck. He earned his CDL and began driving to 48 states. He would bring his

wife on many runs and his mother, Janice joined him on a few as well. His sons earned their CDLs and joined him on the road and spent many miles talking and sending favorite songs to each other.

Brian enjoyed the outdoors; he went camping with his family and shared his love of fishing with his kids. He was an experienced poker player and would often be up for a game. Most recently he enjoyed playing video games, even though his grandchildren “cheated.” Brian’s family and friends looked forward to the next meal that Brian was in charge of BBQing or grilling. His ornery sense of humor and love will be his legacy to his children and grandchildren.

He is survived by his wife, Teresa; children, Bradley (Liz) Thompson, Brianna (Steven) Burns, Travis (Jessica) Brandenburg, and Gabby (Creed Reyes) Brandenburg all of Grand Island; 14 grandchildren; father, Clifford Brandenburg; mother, Janis Helms of Hastings; brother, Jamie Brandenburg of Hastings; sisters, Lisa (Rick) Kasal of Grand Island and Stacey (Jesse) Rice of IA; and numerous extended family and friends.

Brian was preceded in death by his sister, Crystal Lynn Hoseton; step-father, Roger Sherard; and niece, Jutona Vandervier.

“ My closest cousin, Brian will be missed but I know we will see him on the other side! Brian had an opportunity that not all of us get, to make things right before leaving this place. Seems like a horror film ending for a family but I want to encourage them all to see what meant the most to Brian in his last days. Forgiveness, loving, supporting, closeness to us all. Such an important lesson he taught us through his battle! Brian wished he had lived closer to God through his life and only at the end did it sink in that he really needed him. That's how it is for most of us too, yours truly included! I can't imagine what courage it takes to walk that walk and Brian did an amazing job! I regret not making it there in time to be by your side. Something I'll never be settled on. I love you cuz! -AJ
