“ I was so shocked when I saw Bruce had passed...
I was with the class of '67
And reconnected with Bruce when he worked at the VA.. my husband Eldon helped Bruce build his cabin (as he called it) and they spent many hours together.. my job was to supply Bruce with deviled eggs...he loved those things!!
I made lots of those for Bruce..
My deepest sympathy to the family and all of his friends.

“ To Eric, Christina, Andrew and extended family. My heart is broken to read of Bruce's death. We had a friendship that spanned 30 years. He always spoke with such love and pride for his kids and grandchildren. We lost touch after I moved from the Grand Island area, but he was never far from my heart. Good man and a great friend! God Speed Bruce!
