“ *Oh, Lexi. I am so sorry, sweet girl. My heart breaks for the complete sorrow I know you are feeling. I don't believe that God planned this for you - I believe when free will was given to us by Him, the result was an imperfect world. Stuff happens that hurts us and makes Him cry right along with us. I believe that God was first in line to hold and love little Bryghton when he arrived and I believe that God is there to hold you close too. Let him. With love - Mindy*
