“ *Lyle was known to me as Buster. Although he was my cousin, I considered him an older brother. He was an active member of our family for as long as I can remember. He is missed.*

“ Lyle was one of the nicest people I've ever known. He was very loving and caring to other's. Used to love to come out to our home and see our animals they all loved him to pieces. Always invited him out for dinner and he really enjoyed my German cooking that would get from an old Germans from Russia cookbook.
I am truly devastated that I cannot be there Monday for the service but I will be there in spirit because of the love that we all have for him.

Taps to my fellow veteran until we meet again
