“ *God gave our family this wonderful gift Carol an additional Mom and Grandmother to our children. We went through a lot together. We laughed and cried together. She watched our kids grow up and it was so nice to have Grandparents in town. Most importantly Jordan. How wonderful you were to him. Your love was great. I will forever be grateful and you will be missed. I am so glad to know you believed in God and I know you are home with him. Until we meet again. Much love from the entire Bonnes family.*
