“ Kay was a fun, beautiful person to know. I saw her at our last class reunion and enjoyed visiting with her. Boy, could she ever speed shift that car! Will miss her, but she will still be with us. She is pain free and in a great place. You have my sincere sympathy and prayers. Sylvia Erickson

“ Carolyn is my 1st cousin, in fact double cousin. I knew Carolyn as "Kay Krug Smith Meves" I know she was around when I was growing up, however I got to know her better as adult. She was interested in my "boyfriend" in college and sparked my interest in restaurant foods by showing me how to make filled jelly donuts, She was very pleased to meet my adopted daughter Anna Marie named after our grandparents and Kay's mother and the beauty of Anna's Native American Heritage. Like wish she loved my adopted son Naman and if she was to see him today she would definitely agree he is handsome young man. Kay was up beat and loved life, even if it was hard. My prayers are with her family. She will be missed. I am delighted to know she loved our Lord. No more pain, no more worries. Just praise the Lord. God Bless. Sandy Krug Dreyer
