“ *I will always remember Charlene in our small quilt group, she was always cheerful and happy to be around, she was not a complainer. We also enjoyed each other on the first Quilt bus trip I ever took, she was smoking at the time, I think she quit soon after that.*

“ *With sincere sympathies to you all on the passing of Charlene. We were classmates all the way through from grade school through graduation from high school in 1965 and then were able to make connections again when I began employment for Central Community College--Columbus Campus. It was always great to see her at the all college in-service meetings where we tried to catch up on the latest on our lives. She will be missed.*

“ Charlene was a best friend of mine and I will miss her a great deal. Charlene liked to say we were joined at the hip because together we ran the CCC HR and Payroll for many years but we also had many good times together. She was always a great listener and did many kind deeds for many people. That in itself is a great legacy, if we could all say that at the end of our life the world would truly be a better place. “ *Charlene will be missed by many! She was a great coworker and friend for many years at CCC. Best times I have had with Charlene is Christmas time at CCC and our skits and games we played. Sister Act and dressing up as Nuns was my favorite with her 😊 RIP Charlene 🙏*
