“ *Angela, love and prayers for you in this hour of sadness. It was a privilege to have been Charlies barber in the years you have lived in Grand Island. We had many good visits about those two towns in good ole Greeley County, sister cities...Spalding & Greeley.*

“ *Angela, thanks for all the care you gave to Charlie. I know he was having a hard time remembering. I loved him as a principle at the Academy, he always would listen to all our complaining. He would tell everyone that I was older then him (by a month) Love and prayers to you and the family. Kitty*

“ Angela I am sorry for your loss. I remember you and Chuck coming to see Don before he passed. He was so happy. Do you have the same number as I tried to call you a few times and never got an answer. This is never easy. I know as it doesn't seem real yet and it has been 6 years for Don. Thoughts and prayers for you and the whole Scott family.
