

Cleo "Jean" Nore

January 31, 1935 - October 28, 2022

Cleo "Jean" Nore, 87, of Grand Island, passed away on October 28, 2022 at Tiffany Square. A funeral service will be held on Saturday, November 5th at 11 a.m. at St. Paul's Lutheran Church, with Pastor Bill Pavuk officiating.

Jean was born on January 31, 1935, in Boone, NE, to Charles and Effie (Michael) Edwards. She was raised by her mother and grandparents, whom she spent many happy days with on the farm. It was there she learned to play cards, a hobby she enjoyed all throughout her life.

On June 2, 1951, Jean married Dean Nore and the two soon relocated to Grand Island, NE. In their home on Dodge Street, they raised two children, Stephanie and Martin. The family also had a cabin on Johnson Lake in Lexington, NE where they created many joyful memories together, and with their grandchildren, who all learned how to ski behind their boat.

Early in her career, Jean was a lab technician for Spencer Fertilizer. She later became the bookkeeper at Nebraska Truck Center, where she retired in the early 00s.

Jean was a member of St. Paul's Lutheran Church, the Jr. Chamber of Commerce, and the Grand Island Boat Club. She was also a member of several card clubs and could likely shuffle a deck in her sleep. She rarely

missed a baseball, softball or volleyball game. She loved traveling, a hot cup of black coffee and visiting with her friends. More than anything, she loved spending time with her family, who will miss her dearly.

Those left to cherish her memory include her children, Stephanie (John) Hansen, Martin (Teresa) Nore; grandchildren, Ryan (Melanie) Hansen, Casey Hansen, Andrew (Amy) Nore, Kelsea (Jacob) Tooley; great grandchildren, Jackson and Jaylen Hansen, Elijah Hansen, Emma Tripp, Adley Nore, Millie Nore, Maura Tooley, and Louisa Tooley; step-brothers, Jerry Johnson, Lee Johnson; and brother-in-law, Roger (Lois) Nore

Jean was preceded in death by her husband, Dean; father Charles, mother and step-father, Effie and Ivan Johnson.

Memorials are suggested to the American Cancer Society.

“ *To Jean's Family: I worked at Spencer Fertilizer and have many fun memories of times, joking around with Jean. Dean worked on our TV when at Sears and when he had his own business. May Jesus give you all comfort at this time.*
