“ *Cliff was one of the most important influences during what was a pretty crazy time in my younger years.*

He taught me what it meant to be a grown-abc man...showing up, taking responsibility, and doing the work even when no one is watching. He's the main reason I went to college, and specifically UNL. Cliff made it clear that college wasn't an option for me, it was the path when I wasn't necessarily getting that message elsewhere. I can't thank him enough for all the used computers over the years. They sparked my curiosity, set me on a path, and are a big reason I'm successful today.

He also introduced me to the finer things in life, like B-movies. Killer Klowns from Outer Space will forever remind me of giggling with him in an old basement. And Cliff, don't worry, I'll make sure to shoot off a few more of your "mostly legal" fireworks this 4th of July, just to keep the tradition alive.

I'll always be grateful for his guidance, his generosity, and his sense of humor. His impact on my life, and many others, is permanent.

Rest easy, Uncle Cliff.

“Cliff was a very kind and giving person. I always enjoyed talking with him and his tid bits of information he would pass on while he worked at Sunrise Express! Praying for comfort and peace for you all.

“ I used to go to Liederkrantz hamburger night with Cliff & Chuck Bish quite a bit a few years back. We told good stories & drank some beer. Cliff always loved the homemade pie & ate a piece before his burgers arrived. And he always ordered a couple extra burgers for his dog that was always waiting outside in the truck. He was a good man & gentle giant.

I worked with Cliff when I worked at Sunrise in the shop. He was always there to help and advise. Always enjoyed taking care of Blue (dog) when Cliff was in a meeting. Learned a lot from Cliff. Loved his 4th of July parties. May the Lord keep you in his loving arms.

My deepest condolences to Cliff's family and friends. I went to school with Cliff from kindergarten through high school graduation. He was such a kind soul who could always bring a smile. It was an honor to know him.
