“ Was so surprised to see the news about Connie. Always enjoyed visiting her and Norm in their Tecumseh home. She was a joy to know and I will miss her texts and phone calls that we used to share. Memories are great even though they are sometimes painful. With Love and God's Blessings to All of Connie's Family. Judy Coe

“ Connie was the first bright eyed kind person to greet me when I moved here from Colorado after my divorce. It was a terrifying life change and she opened her home and kept an concerned caring eye out for me! I love her dearly and look forward to the day we will be together again. You are forever in my heart.
