“ *Where to start? Through the years, Courtney, Nicole, Stacy and I would sit together at Zach's and Skylar's sporting events. I always loved giving Courtney a hard time about his love of hotdogs. Courtney was the epitome of don't judge a book by it's cover. What you see is not what you got from him. On the outside he looked like a person who was mean, but in reality, he was just a big kid. His heart was huge and would give anyone the shirt off his back to help them. I miss the times that the four of us hung out. I know I will miss seeing him around. My thoughts are with you Nicole and Skylar!*
