“ Sad to hear of Dale's passing. I will always remember being buddies with "Gus" and "Joe". One high point was the Nats winning the Little Bigger League title with Dale and Randy.

“ we once were classmates, I knew then he would grow up to be a good and decent hard working man. Caring and considerate because that was the kind of kid he was. and as our numbers begin to fade, we, the class of 1965, had been blessed by knowing each other, we learned to honor and respect each other Dale exemplified this. To Dale's family, I pray you will always feel the warmth and love that a man of his generation was reared in. Bless you and prayers that you are wrapped in the comfort of his love.

“ Dale was my first boss at Sperry New Holland in 1979 and I worked under him for just over a year before switching jobs at the plant. He was the definition of what a boss should be. He truly cared for those that worked under him and in that short time, I learned so much from Dale. He constantly encouraged me to advance myself and pushed for me to take supervision classes at the plant. I will always have fond memories of the times working with Dale and for getting me on the right path out of high school. I really enjoyed our conversations throughout the years.

A really great man and a good friend who will be missed.

“ Dale, it seems like not to long ago, we were just kids, playing football, in the empty lot across the street from where your folks lived or at Howard School. We rode many Bicycle miles, maybe, even where we were not suppose to, but we were just kids having fun. Time just seems to melt away, like an ice cube in the sun. You will be missed by all. To the Family of Dale, I am so Sorry for your loss.

Dale was a lot of fun and I learned from him and my sister, Norma, at the Leprechaun, how to make interesting egg skillet dishes.
