“ *I was a co-worker with Dan at Wheelers and later Country General. He was a helpful employee and friend. I also remember that he was a comical person. He made a joke about almost anything. Sounds a little like his brother, Dave who works in the Sheriff's Office in Greeley County. I am in the Extension Office right next to the Sheriff's Office. So I have had the privilege of working beside these two men for a few years and I respect them for doing the things they have done in their lives. So long my dear, Dan. Until we meet again may God hold you in the palm of his hands.*

“ I used to see, and be a customer of Dan's at Ace and Wheelers. He was a kind and helpful fella. Whether it was a repair project being worked on by "Big Mike" in back, or something else in another Dept, Dan could have easily blown me off. He never did. Always helpful and attentive. Big smile, smart, and a good sense of humor. He will be missed.
