“ *When his daughter, Denise, won the Mrs. Nebraska title he was bragging about that for a month or better. Then his daughter, Barbara, got her CDL License & he started bragging on her for a month. His son, Brian, got a sports article printed. Well, with these accomplishments of his children, lets just say I could stand on top of Pikes Peak and I could see his chest sticking out in Nebraska from there. His children made him very proud & happy. He told me about his kids so many times and that's why it is such a special memory to me, his brother Gary. He will be missed by many.*
