“ *Danny*

was one of a kind, every time I see a chocolate star I will think of him. Danny I and flipper solved a lot of the worlds problems sitting in his garage. we talked mostly about all his fishing trips. to Harlan Co. He was the kind of man that if you needed something he would offer before you had a chance to ask.

I will miss you and I will see you again. I'll bring the stars and you bring the twinkle in Your eye. and we will sit and tell tall tales into the night.
