“ I have many positive memories of Daryll, but the one that has stayed with me the most happened many years ago. I don't recall what year, probably when I was in my mid-twenties...before children. Mary Kay and I unexpectedly ran into Daryll at Johnson Lake. I was impressed by his boat. Daryll then gave Mary Kay and I an extensive boat ride all around Johnson Lake. The boat ride become a lasting impression on me and his kindness was enormous.

*As an older cousin...Daryll's mentorship in my life was very positive. He will be missed.*
