“ *Becky, I am so sorry for your loss. I worked with David for a brief time, 6-8 months. His intelligence and sense of humor are a great loss to this world.*

When I worked with him he encouraged me and quizzed me for my upcoming nursing classes. He was truly a well of knowledge. I will always remember him with great regard.

May your memories aide you in this sad time.

May Christ's Love and Peace comfort you.
