*I just heard of Dean's passing. I am so sad to hear and want you all to know I'm thinking of you. I absolutely loved the 10 years I sat next to Dean at Sterling meetings, I was always happy to help him with his technology and he was happy to help with Scotch ;-)
Dean was one of those people you were happy you met. I will miss him greatly.*

“ Yvette, Sorry to hear of Dean's passing. Had the pleasure of running into Dean now and then at Cow palace and Platte Deutsche. You two were great neighbors on Del Monte. He always remembered my face but called me Rocke, i never bothered to correct him after all the trouble i cause while growing up next door. To all the memories of a good Man, God Bless you and your Family. Rex Beason

“ I just learned of Deans passing today, and wanted to pass my love and condolences to his family and other friends on this difficult day. I was blessed as a young sales representative to work alongside Dean and his expertise, smile, and jokes were unmatched. I feel honored to have known him and his impact on my life will not be forgotten. I know he is in a better place, and grateful for all he taught me and others while here. Rest in Peace Dean , and condolences to his family.

“ Yvette- so sorry to hear about Dean's passing. It seems we're really dwindling in numbers. HE was a great guy, and I'm sure you'll miss him deeply. Take care of yourself and come see us when you can-- or maybe we can get down to see you soon. I know some of the girls have been down before. Now that I've quit my part-time job I could come too. Thinking of you. Jerri

“ I never had the pleasure of meeting Mr. Engelhaupt. However, I am very good friends with his daughter, Jennifer. She is one of the brightest, bravest, and most beautiful souls I've ever met. Is she inherited any of that from her father (which I'm sure is the case), he was a great man. Rest in peace, Dean.
