“ *Deanna was my "go to " sister when I needed help as a child, and a precious friend when we grew up. When I moved to California most of our visits were by phone. I loved visiting her and Louies farm when we went back to Nebraska for a visit. Beautiful memories of sunny days and Louie letting the kids sit on the horse, and me trying on Deanna's pretty dress. I think that's what big sisters are for. She was always ready to listen and wasn't judgemental. I'll miss her laugh and giggles. Deanna had a pure heart. We'll meet again in Heaven. Love you my dear sister.*

“ *Deanna is one of the most thoughtful people, caring and loving to others. I will miss her phone calls, she loves to make quilts and gave one to each of her 5 sisters. She is going to be deeply missed by family and friends. We love you, Deanna, until we meet again.*
