“ *One of my best memories of Dee was the night she helped me celebrate my 39th birthday. She helped make it one of the VERY best birthdays I've ever had, and I will never forget it. There's nothing like trying to do The Stroll down the middle of the barroom floor.*

I thought I'd sent a memory, but I guess I didn't do it correctly. Deanne was my niece; however, we were never able to keep connected. She found me when she was 21. We had a family reunion shortly after that so she could meet her cousins from her mom's side. Her mom was killed in a car accident with Deanna was only 4 months old. We kept in contact for a few years, but life happens, and our contacts stopped. She was raised in a loving caring family for that I'm happy. I do offer my condolences to the Simon family and to her husband.
