“ Dear Kent and Family,
I want to share a memory I have of your parents. I always enjoyed and thought it was so special when your parents shared their cabin with all of our classmates at Trinity Lutheran School. I also remember coming to your home near Fonner Park.
For many years my parents had all their prescriptions filled at 'Dee's.' Your dad always had a smile and time for conversation. Your dad was blessed with a long earthly life and now resides with our Savior. We will all meet again.
