“ A few years ago I was blessed with the position of activities director at Riverside Retirement Community. It was by far one of my favorite jobs in my lifetime! So many wonderful people with Delavon at the top of the list! She was so wonderful! We chatted and shared experiences! She was so sweet and cared so much about my safety. Until the day I die I will remember her tapping on my office window (shaking her finger at me and staring into my eyes with a wonderful concern) to make sure I realized that it was getting late and I needed to head home! She even gave me a small trinket of hers to keep me safe as I drove back and forth to work! Unfortunately, I left Riverside but was blessed with a surprise visit from Delavon and her daughter at my current place of employment! I truly loved Delavon and she will always have a special place in my heart! God made a beautiful person when he created precious Delavon! Until we meet again Delavon... love Brenda!!! 😊😊😊

“ DeLavon was customer of mine for many,many years. Always cheerful and full of life. I've seen her several times since closing the beauty shop, and she was always happy. A great memory to cherish. God Bless Her.
