“ *My deepest Condolences on your loss. While I did not know Dennis well, I thoroughly enjoyed our brief visits when traveling through Grand Island I am not very good with words, so I will pass along the words of another: “When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.”*

“ *I knew Dennis for many years as he was also a good friend of my older brother. If I recall, he previously worked at Overhead Door and he assisted me in some purchases. Most recently I talked to him while golfing at Centura Hills. He always had a great smile on his face and he was so friendly and outgoing. My deepest sympathy to his family.*

“ *Pat and Family,*

All of us at Golf USA would like to send our thoughts and prayers to you all. Denny was always a treat to have around filling the store with his conversations He always wanted to know about the latest and greatest golf equipment, and would remind us of something new if we missed it. Denny was truly one of a kind and will be missed by all of us. I am honored to have know him personally and I am sure he has already played a few rounds up there.

My wife and I have our thoughts and prayers with you and your family. I first met Denny when I started working at Golf USA. What a Super guy! He reminded me of one of my favorite uncles but Denny had a few thousand more stories as you well know. Denny had a huge heart. If he heard that someone was in need, he would give them the shirt off his back. The last few years, his health issues kept him from playing a lot of golf, but every once in a while, he would hit a shot very pure that would show his past success. I will miss Denny but he and our Lord will have many conversations.

“ *Pat, kids, Vickey,
I am so beyond words about Nes's death. He was a wonder man, a good roommate, a super pheasant hunter, an All State student manager in football because Trampe and I helped him, and a state basket ball tournament participant. So many really great memories of sports in GI, hunting, college, life. Nay and Billie, snowball fights, after game goofing around with Ollie, Cutting school to play golf in St Paul and Dennis laughing at us because we were so bad he was so good. The memories are many and they are all awesome. Best man at my wedding.
Love to all of you,
