“ *Condolences to Dennis' family. Denny was a special and talented guy. We spent many fun times together in High school and shared other adventures like working firework stands over the Fourth of July holidays. He could always make you laugh and enjoy the time you spent with him. He was one of a kind. Rest in peace Denny.*

One of the best guys I ever was fortunate enough to know. He brightened the room when he walked in. Always a smile and a kind word....or a joke to tell! He'll live on in stories, and in our hearts.
