“ *I was very saddened to hear the news of Don's passing. I knew Don very early in life in Broken Bow. We went to grade school-High school together. I remember playing football as a young kid across the street from his parents house. We had a lot of fun together back in BB. Reading through others tributes I can see that he touched others lives as well. My thoughts go out to his family in this tough time.*

“ Don was one of the hardest working Truck Drivers I ever had the joy of working with in my 14 years of managing Drivers. He also was a very nice person and just so happened to be a Umpire back when I played little league....Great guy the world is not a better place with him not in it.

“ I think the last time I saw Don was when Kem and I attended his mom, Maxine's funeral. I had always known Donnie to be a quiet, shy person but that day he had the courage to stand and give a very moving tribute to his mom. I was deeply touched by this and by his kind spirit. May your memories comfort you in this time of grieving.
With loving thoughts,
