“ *The Izaak Walton League was saddened by the news of Donnas passing. Donna served as secretary for the Grand Island chapter until her health prevented her from performing her duties. Donna was a dedicated member and conservationist. Although it has been a number of years since Donna was a board member she is still fondly remembered and will be missed.*

“ The memories Donna and I shared as we played together at her home and across the yards at the "Aunts" house on occasion when we were younger had a cherished impact on me. When I came back to G.I. many decades later and ran into at Donna at work; the years stripped away and we were the same giggly girls again! She's such a joy to be around--infectious with her spirit and love. Until we meet again..... Love from Patty "Phelps" Larson
